**Re: Cancer Research UK Match It! Applications – Change to Matched Funding Process**

Dear All,

It is with regret that Cancer Research UK has informed us that they are not able to accept funds from the DHL UK Foundation. This is because DHL has customers from the tobacco industry and CRUK believes that accepting funds from us would be in conflict with the work of CRUK in lobbying tobacco companies to change the way they work.

**Please note that direct employee fundraising remains unaffected.**

In recognition of any future funds that are raised for Cancer Research UK, we will offer applicants the opportunity to nominate an alternative qualifying charity for their matched funds to be donated to.

If you have any queries regarding the above, please contact the DHL UK Foundation helpline on 01285 841 914.

Kind regards

Helen
